What's New In?

ConPad is a light, flexible notepad that allows the user to create, print, save or edit ConPad text files (.cp) in a smooth program. ConPad supports file converting, so you can convert.dat or.txt files to.cp files, and vice versa. You can also customise ConPad's look (font, background colour and font colour) that will save. In addition, you will be able to associate.cp files with this application. ConPad is light, flexible and very easy to use. It is a great tool for users who want to create notepads and simple document in just a few seconds! With ConPad you can □ create, print, save or edit.cp files; □ convert.dat or.txt files to.cp files, and vice versa; □ add icons to your.cp files (if you have MS Windows XP, you can also use the option "Add Icon to File"); □ choose the colour of the font, the background colour and the font colour (for the.cp text files, you will be able to choose the font, background and font colour in your Ms Word® 2002 or Microsoft® Word® 2003); □ edit your.cp files with the same tools you use in your favourite word processor (support for MS Word® 2002 or Microsoft® Word® 2003); □ convert.cp files to.txt,.bmp and.dat files; □ you can associate.cp files with ConPad with ease. ConPad works with Unicode text (UTF-8). This

means that you can create text files with non-English characters, and view and edit them. However, ConPad cannot edit files from non-English-based operating systems such as DOS, Linux or Mac OSX. Screenshot: + Features: ☐ Create, print, save or edit.cp files; ☐ convert.dat or.txt files to.cp files, and vice versa; ☐ add icons to your.cp files (if you have MS Windows XP, you can also use the option "Add Icon to File"); ☐ choose the colour of the font, the background colour and the font colour (for the.cp text files, you will be able to choose the font, background and font colour in your Ms Word® 2002 or Microsoft® Word® 2003); ☐ edit your.cp files with the same tools you use in your favourite word processor (support for MS Word® 2002 or Microsoft® Word® 2003); ☐ convert.

System Requirements:

Minimum OS: Windows 10, Windows 8.1, Windows 8, Windows 7 Processor: Intel i5-2500K Memory: 16 GB RAM Graphics: NVIDIA GeForce GTX 1060 or AMD Radeon RX 480 Hard Drive: 70 GB available space Sound Card: DirectX 9.0c Compatible Additional Notes: The original Doom sourcecode was used in creating the project and is used with the project. The main goal was to create a modded version of Doom, with a modified look and feel
